

Specialized Coverages:

Total Loss Replacement

In the event of a total loss within the first five model years, the RV will be replaced with a brand new comparable model. If a total loss occurs after five years, the original purchase price will be paid out towards getting a replacement unit for up to ten model years. Thereby, doing away with depreciation of the RV for the first ten model years.

Disappearing Deductible

For each policy year you are claim free, the original Comprehensive and Collision deductible will be reduced by 25%. After four consecutive claim free years you'll have no deductible to pay in the event of a loss. Following a claim being paid, your deductible will be restored to the original level shown on your policy and the cycle will begin again.

Personal Effects

Replacement cost of items such as clothing, dishes, sporting equipment, and electronics.

Full Timers

Provides a more extensive liability coverage, similar to that of a homeowner policy for those who use their RV over five months out of the year or as a primary residence.

Vacation Liability

Provides homeowner's type of liability coverage at times when your RV is being used as a temporary vacation residence.

Emergency Vacation Expense

In the event of an emergency when your RV is damaged or destroyed by a covered hazard, you will be reimbursed up to \$750 to pay for reasonable temporary living facilities, transportation, and the cost of returning the RV.

Towing and Roadside Labor

Provides towing to the nearest qualified RV facility and necessary labor at site of disablement.

Tow Dolly Coverage

Provides up to \$2,500 worth of coverage.

Purchase Price Guarantee

In the event of a total loss within ten model years, you will be paid your original purchase price.
